“ It is difficult to put into words how much of an impact some people have on our lives. Betsy was one of those people. We used to have these discussions about how we felt God put us together with people that gave us a glimpse of His kingdom and that we would get these little moments of how eternity was going to be, Betsy was truly one of those people He put her here to touch others and to reflect His kindness and love. I will truly miss our long conversations talking about family, God, and politics! You could just feel her happiness when she talked about her daughter her grandchildren. Heaven became a greater place yesterday and this world is missing an angel.

“ Betsy was my mentor, friend, sister in faith. She was the kindest woman and oh! how she loved the Lord! Words cannot express my gratitude and love I have for this wonderful woman. When I grow up, I want to be just like her. Claire, my heart and prayers are with you as you journey now without her. Betsy loved you and her grandchildren so much and enjoyed the time she shared with them. She was truly an angel called "Mom". I loved her so.

“ I went to High School with Betsy and I just remember her sweet spirit and great smile. She could always make things better just being around her. So sorry for your loss, I am sure her smile continued for years after High School. Praying for the family.

“ I've never known a person so dedicated to every task or conversation as Betsy. She gave everything she did her all. Betsy was always busy by never too busy to stop and give all her attention to you. She was a beautiful person. It was so easy to love Betsy. St Peter will look at her time sheets and declare that she was 139 years old as she outdid us all in every way.
