Dotti was born June 13, 1940 in Yellow Springs, OH, daughter of the late John Francis Bittner and Vivian Donna Spencer Bittner. Dotti was a proud graduate of The Ohio State University with a Bachelor of Science in Elementary Education. She began her working career as an elementary teacher, moved on to a full-time mom and entrepreneur with her handmade Dotti Dolls business. She was actively involved in the St. Joseph Cathedral Choir in Columbus, OH, as well as enjoying singing and dancing with Vaudvillities. Moving to Summerville, she and Len quickly made many friends, enjoyed attending the Summerville Orchestra and became involved with her church, St. John the Beloved Catholic Church. Dotti's spare time was spent creating a multitude of personalized quilts for family and friends and listening to Len's guitar playing. However, her favorite activity was spending time with Len, her kids, their spouses and all of her grandkids. Dotti was a wonderful wife, mother, "Nana" and friend to all. She will be loved and sorely missed by all who knew her.

“ When Tony and I moved to Summerville, Dotti quickly made her way to our house across the street. I can hear her voice now, “hey there”. We became fast friends. We both had a love of caring for others, cooking, decorating. She inspired me. We would take turns seeing each other seasonal decor, we had frequent get together, sharing each other’s lives. Leaving Summerville was hard, leaving such good friends, but we vowed to keep in touch. We made a trip there and they came to the new farm, then Covid arrived. I hate I didn’t get to say goodbye, I hate I missed her birthday. We’d still be celebrating the birthday month! This weekend we’d be having wine and dinner celebrating hers and Tony’s birthday. I’m so thankful for the friendship we shared. I will cherish all the things she lovingly made for us. I’m still have one last quilt she made me to pick up. Len, Tom, Tony, John, Lisa, and family, I’m thinking of you all and praying for your families. She loved you all dearly and spoke of you all so often. I feel like I know you well as she was so proud of each of you. She could wait to share with me the latest projects and events happening. Miss you Dotti, until we meet again my sweet friend.

“ Our condolences to Len and all the rest of the family. Our thoughts and prayers are with all of you during this difficult time. Dotti was a wonderful person, she made everyone who was in her presence feel welcomed. We will all miss her dearly, she was a great organizer at our senior lunches. We will always remember her gift giving, what ever she gave to someone as a gift, was always handmade, we will cherish all the gifts she gave us for different occasions. She made a wonderful dinner Christmas time and had us over with other friends and her meal was excellent. You will be missed by all of us Dotti, a life taken too soon. Rest in peace my friend.

“ Children of Dottie, I taught school with your Mother for two years, 1969-71 at a little country school, New Dover Elementary, Marysville Exempted Schools along with Mildred Greer, 3rd grade and Ann Low and I were the 4th grade teachers Our Principal came to check on us one day a week before the school day began. We had a great time teaching together. Dottie was always so positive and creative. I have thought about her so many times. I was sorry to see of her death in the Columbus Dispatch paper this morning. My deepest Sympathy to all of you.

She loved life and was ready for anything, whether it be making a quilt for someone or making a lasagna. A classy lady who loved her family, she was so proud of each and every one of you. “ To Tom, John, Tony and Lisa: I want you to know that if it wasn't for your Mom working to "set me up" with Larry (Krueger), on our first date after an unusual St. Joe's Cathedral Choir performance at a 5:15 pm (last chance mass) on a Sunday in 1985, I wouldn't have been married for 32+ years, and had 2 wonderful sons, Stephen and Michael. I cried when I heard she was gone from this earth. We always joked about setting up the Cathedral Choir Retirement home for all of us who found that special time I will always refer to as "Our Camelot". Please know that there are many of us who still remember her with great joy! I remember you all, as teenagers, and know this is a difficult time for you. If you ever want to reach out, Larry and I are still here in Columbus.

“ We met Dotti while singing together in the St. Joseph Cathedral Choir in Columbus. We became fast friends...Dotti was everyone's friend! She would host members of the choir at her pool house, we picnicked together at the Columbus Symphony summer concerts, attended the Columbus Museum's "Jazz in the Garden" concerts, went to Scioto Downs racetrack with church parish members, discovered Shadowbox Cabaret together...so many good times! We watched her kids grow up...we send them and the rest of her family our heartfelt sympathies and love. Love, love, love. We are better people having known Dotti — and we miss her very much.

“They are our adopted grandparents.” We’ve been saying that ever since we met Ms. Dotti and Mr. Len. We were invited over to their home for dinner, one time, and we instantly had seats saved for us at church every week and a steady stream of treats for the kids throughout the years. On birthdays as well as other celebrations we could always count on “yes, +2” for Ms. Dotti and Mr. Len. I actually never had to take pictures because she always had her camera in hand. I have a few pictures of her to share, but she was always behind the camera. Our kids were always excited to see her and tell her their latest adventures. Dotti is very much present in our home; quilts, trick or treat bags, little stuffed animals, trivets and Christmas stockings. These are now extremely cherished treasures and remind us that we are blessed to have been a part of her life.

Forever in our hearts,

“ Tiffany, that sounds like my mom! She truly gave from her heart and I felt like I knew each of your little ones. She adores your family. I love all of the little goodies she made for them - she loved being a Nana to them and spoiling them. Thank you for the beautiful words. She treasured you all as you treasure you. Hugs to you and your family and again - thank you. My heart is full...
