

## Janet Carson Hortman

December 27, 1950 - May 6, 2018

Our beloved, Janet Carson Hortman, quietly crossed to the other side on the morning of May 7, 2018, from complications of her long struggle with Fahr's disease. She is finally at peace and free of the pain that plagued her for so long.

Janet was born Dec 27, 1950 in Bainbridge, GA to Anna & James Carson. Janet grew up in Elkin, NC until she graduated high school.

She then went on to attend and graduate from Presbyterian College in Clinton, SC and married her college sweetheart, Robert Hortman. Janet spent the rest of her life at Medway Plantation, Goose Creek, SC, raising their sons, and watching her grandchildren grow. Janet was a caring, thoughtful wife, mother and grandmother that touched the lives of so many others.

Survivors include her husband, Robert and sons, James (Emily, grandchildren, Catherine Mae and Elizabeth Grace) of Murrell's Inlet, SC and Matthew (Patty, grandchildren Hannah, Hunter and Anna Marie) of Port St. Joe, Fla. Survivors also include her brother George (Sue) and sister Margaret of Winston Salem, NC and her many family & friends. We also wish to thank all of her caregivers from Intrepid Hospice for helping us through this difficult time.

Family will be accepting friends at 6 PM with memorial service to begin at 7 PM, Saturday May 19, 2018 at James A. Dyal Funeral Home in Summerville, SC. In lieu of flowers, donations may be made to MUSC Foundation, Murray Center # 8439, Movement Disorders Program, 208 B Rutledge Ave, MSC 108, Charleston, SC 29425, in our Janet's name.

Rest in Peace, dear girl, till we meet again on the other side.

“ At this time of great sorrow Teresa & I want to share some thoughts about Janet. First and foremost Janet was so very proud of her husband and her sons. It is obvious to us that the remarkable achievements and accomplishments these men have made are in no small part due to her unflagging support and encouragement. If you were fortunate enough to be her friend you always had someone who had your concerns at heart. But that friendship had responsibilities too. I once visited Medway with a class of college kids and after Robert gave them a tour, I loaded them up and rushed back to the college. The next day I got a call from Janet subtly dressing me down for not stopping by the house to say hello, that friends don't do that. And she was right about that, and I've never forgotten the lesson. I keep thinking about a remark that Robert once made about a faculty friend who had passed, that he wasn't really gone, he was in all of us, through what he had taught us. I see that in Janet as well and find some comfort in that idea.

Our thoughts and prayers always to Robert, Jimmy, and Matthew and their families.  
We are so very sorry for your loss,

John & Teresa Inman
