“ It was a privilege to know such an incredible spirit. She was a brave, beautiful soul who was completely unafraid to love with her whole heart. She didn't hesitate to cry tears of empathy for a stranger and her animal crusading is the stuff of legends. She had an uncanny knack for comic relief when it was most needed. She made life sweeter to all who knew her. May the beauty of her memory bring peace to your hearts!

“ My thoughts and prayers are with Abbie's family. I had the pleasure of meeting her a few times and she was the type of person that just instantly made a person feel comfortable around her. Very sweet and loved her family. I know she will be greatly missed.
