“ *I said my goodbyes to my Aunt on Monday night as I sat and watched her. She was more than a Aunt to me she was also my friend. When we both lived in Goose Creek we had a yearly Christmas tradition we made cookies and several different candies together but the one we could never master was my Uncle Roasio's fudge. I would always bring him a carton of eggnog and watch him enjoy it while Nunie and I waited for him to make the fudge. We also had many yard sales together and he would tell us not sure why y'all are going through all this trouble because we ended up trading our items to each other. Nunie also kept my son Howard when he was very young while I worked, I can say I know she loved him as much as he loved her. She was a loving wife and a loving mother to her two children, Rodney and Rhonda. I will miss her but I know she is in Heaven having a great time with her parents, her daughter Rhonda and my Mom and her first husband that passed away years ago. She will definitely be missed by the ones she left behind but she is no longer suffering and I will always cherish my memories of my Aunt that we called Nunie. In closing I want to let her son Rodney know how proud of him of the way he stood by his Mom and took care of her. Until we meet again Rest In Peace Nunie , Love your niece Louann*
