“ I didnt really know Allen personally but I did go to school with him. I found out about him from my cousin who is friends with Allen's girlfriend, Shelby. I saw Allen around school and from what I saw, he seemed like a very fun person to be around. He always was laughing when I would see him at lunch or just hanging in the halls. I am so sorry about your lost and I send all my prays and thoughts to you and your family. Always remember that Allen was a well like guy at school and I know for a fact that Straford won't be the same without him there. He will be miss by so many. God Bless you.

“ I am so sorry for your loss. My family has thought and prayed for your family since we heard the news Sunday. I am not sure if we have met, but, I am certain we have throughout the years. My daughter goes to Stratford with Allen and also took Driver's Ed with him a few summers ago. She was really nervous about being there that day and wanted to leave and Allen and his mother came in behind us, and she saw him and suddenly she was excited because he was so cute... and that's how they met and were friends from that day on. I just Wanted you to know how sorry we are... Blaszak Family

“ Allen Barnett I will never understand why this happened, all I know is I miss you and I will see you again one day, you were a great friend, I will cherish every laugh we had and every smile you gave me. I'll never forget how I met you when I worked at Ci Ci's and how you picked on me and Doug when you would come in. Ill never forget the time we went to the shoe dept and were throwing shoes at each other and your mom kicked us out haha. Wow you always made me laugh and when we went into los arcas and got water chips and salsa and walked out because we thought it was free (little did we know u have to pay for the chips if you don't buy anything) the Mexicans hated us for that. I have known you since the 10th grade and i never thought in a million years I would lose a great friend like you. Me and Holden think of you every min of the day and watch the video of y'all racing just to hear your laugh again. I am so thankful to have known you and to have memories with you. Loving you always Erica and Holden
