

Allen Weber

October 27, 1936 - August 17, 2025

Allen Weber, beloved husband, father, and patriot, passed away peacefully on August 17, 2025, at the age of 88.

Born on October 27, 1936, to the late Charles and Eva Weber, Allen lived a life defined by dedication; to his family, his country, and his community. A proud veteran, he served in the United States Air Force for 21 years with honor and distinction. His military service was a source of pride throughout his life and reflected his deep love for his country.

Following his retirement from the Air Force, Allen later channeled his entrepreneurial spirit into founding Azalea Moving and Storage, a company he owned and operated with integrity and hard work, while attending night school to earn a degree in accounting.

Allen was a devoted family man who found joy in simple pleasures: time spent with loved ones, the excitement of a good football game, and the thrill of racing. Those who knew him will remember his steady presence, his warm sense of humor, and his unwavering sense of responsibility.

He is survived by his loving wife, Judith Weber, with whom he shared many cherished years of marriage. Together, they built a life full of love, laughter, and resilience.

Allen's life was a testament to service, commitment, and love. He will be deeply missed by all who had the privilege of knowing him.

He is survived by his loving wife, Judith Weber; his children: Jeffrey Weber and Renae W. Force (William); his grandchildren: Natalie Force and Alexia Force; his siblings: Maureen Tardiff (Bob), Robert Weber (Shirlee), Dennis Weber (Karen), Mark Weber (Debbie), and Michelle Cousineau (Peter); as well as a brother in law, Bill Cobb. He was preceded in death by a sister, Christine Cobb.

A visitation of family and friends will be held on Thursday, August 21, 2025, from 12pm to 1pm at James A. Dyal Funeral Home. The funeral service will begin at 1pm in the Chapel. Burial will immediately follow at Dorchester Memory Gardens.

“ Always a smile.....

“ *"Uncle Al" (to me and many others) was one of the greats for sure! The steins that Sean mentioned brought a big smile to my face as an awesome reminder of just one of the many ways he was always so thoughtful and sharing with the entire extended family and friends. He just gave and gave and gave some more. What an awesome human being, family man and role model! Despite all the good times and memories, I wish there were more. For me and others, there were so many childhood "firsts" that many of us got to enjoy thanks to him involving summertime lake outings with all the boating, skiing, sea-doo fun, fishing trips, and perhaps MOST importantly, just the fact that the family could get together around the lake house and everyone have their version of fun! It always seemed like a win-win for everyone from my perspective. What a blast!! I can never repay or be thankful enough for all that he and Judy did for us as kids over the years. He'll eternally be an inspiration for all of us to strive to live life as fully as he did. God Bless and see you on the other side Uncle Al. Love to everyone -

“ With the sadest and heaviest heart we all lost a great man, husband, father, uncle, friend to many. Al is definitely in Heaven living it up with the Webers and all he touched who passed before us! When I was young and growing up outside of Atlanta my parents, Den and Karen, drove us to be with our closest relatives in South Carolina (Uncle Allen, Aunt Judy, Jeff and Renae) many many times. We enjoyed so many great memories from the times at the lake house for the 4th of July parties (the garage photo with Grandma weber and all dancing away), boating, fishing trips, football games with crazy exciting tailgate experiences that have lasted forever in my heart. The trips up north to hang with the entire Weber family every other year were so exciting. Lord knows how many Budweiser Steins I have till this day from my Uncle Al! CHEERS to all of the memorable family vacations with my Uncle Al which I will cherish !! Those lifetime experiences I vow to live my life to the fullest as Al did. Al was the leader of the entire Weber family, in my eyes, and he always had a way to kick off the family reunions which I will always cherish. I will live on doing them as Ucle Al would have done. Uncle Al, I will deeply miss you and thank you for all you did for me as a young child and grown adult. I love you and we will meet again one day!

“ We are so saddened by this loss and Our condolences to Judy and the family. What a pleasure and honor to have been able cross paths with Al. We met through Renae, and I just loved it when they visited Renae and her family. He and Judy always made me laugh, shared their many travels, and were such a joy to visit with. I thoroughly enjoyed their social media posts sharing all their adventures with the world. What a life well lived. Heaven gained a keeper. Prayers and Hugs and Kisses to you Judy. We love you!
