“ *I am at a loss for words at learning of the passing of one of my dearest friends. From the 6th grade and throughout life, Allyson was a true friend and I will treasure the times and memories we shared forever. We enjoyed many times at the beach, with her parents, as well as in Pleasant Hill. I will love and miss her always. I am blessed to have known her. I am deeply sorry for your loss and I know that you will cherish your memories of Allyson. She told me many times how much she loved you three and how proud of you she was to be your Mom.*
