I worked many Proposals with Buddy, and was part of his team selling these ideas. Buddy was a great Engineer and a visionary. So sorry to hear of his passing.

My condolences and heart felt prayers goes towards the Holmes family in this time of transition of our beloved friend Buddy. I enjoyed the many times that I got to have a cup of coffee / tea with him and they turned out to be therapy for our time away from the Prostate Cancer treatment center. (and we embraced our times weekly)...
