“ Amanda - You will always be that fellow soldier whom I once served with in the SCARNG. You stayed in touch after you got out of the Guard, and you stayed in touch with me on FB with likes, smiles, hearts and the occasional message. We talked on the phone every now and then. You are a fellow dog lover, a person who would talk about any topic that was of concern for me, and talk about what was of concern for you. The things you shared with me made me a better person about things in my own past and life, and I will always be grateful to you for the wisdom we gave to one another, and for the clarity you gave me on things I never had compassion for before. You had the biggest smile I have ever seen. Keep watch for me when it is my turn to arrive where you are, as it will be good to see that smile once again. And to Amanda's family, God speed on your sorrow, and many hugs for the passing of your beautiful Amanda.

“ I worked with Amanda at TIGhitco. She shared many things about her life and was troubled by a lot them but she was a kind and loving person just looking for relief wherever it could be found. RIP Amanda and God bless you.

“ Words cannot do justice. You will be greatly missed!! Our lil sis in
her tall shoes, who never got the joke of looking at the bird. I will
