“ I want to send my condolences to all the family as I just found out about your mom’s passing in the church bulletin today. I was in North Carolina visiting LeighEllen and her husband for Mothers Day and returned Wednesday night. If I had known I would have come to the funeral mass.

All of us Wards have such wonderful memories of the time we all lived in Corey Woods and often reminisce about that great neighborhood. I am so sad that I wasn’t here as I would have loved to have seen all the Sharkeys. Please know that you are in my thoughts and prayers.
