Tribute Wall

“ It breaks my heart to know that Annie has passed. She was an integral part of my life since my childhood. My Mother considered Annie her best friend, and they were until my Mother's passing in 2016. Annie attended the cake at my wedding, and she attended the weddings of both my siblings. She was at baby showers of my grandchildren. She was at the Christenings of my daughter and granddaughter. She was with us when my father and mother died. No one could make me laugh like Annie. There literally could not be a single soul who was more genuine, kind, gentle, generous, and loving than our Annie. I take comfort knowing she and my mother have now reunited.

“ *This will always be my most favorite memory of Mrs. Annie. I loved her very much and I hope she knows that. I snuck a baby kangaroo into see her at the hospice facility. When I walked in I told her I had a surprise and she said “is it that baby kangaroo?” with a big smile! It was the best day ever with her. I love you Mrs. Annie and I was blessed to have known you since childhood. You are so special to anyone who knew you. I will miss you but I am so glad you are not suffering anymore.*
