“ *Anthony, my baby, my snuggle bug. I remember the first time you ever wakes into my life. You stuck that tongue out at me and I chased you and wrestled you to the floor. From that day forward that was our way to say I love you. Sticking that tongue out at me will never be the same ever again. I love you beyond words. I promise to keep mommy safe, and become a connection to Brenna and those girls for you. 😊*
