“ Dear members of the Biering family,
I was sorry to hear of Archie's passing and please accept my sincere condolences. I had the distinct pleasure and privilege of getting to know him at his Bee City, which was a creative marvel and showed his great talents. He was incredibly knowledgeable and always very congenial, and I thoroughly enjoyed the visits there over the years. Regards, Michael Trouche

“ Diane, So sorry to hear of Archie's passing. He was a great guy. Although, we have not seen each other in a long time, we often thought of y'all and all of our good times at the Bee outings. We were proud to be charter members with you and Archie and we will always cherish the fellowship and memories we had at the Bee Club and at Bee City (Dinner & Zoo). Ben, of of course, also had his special memories of Archie from their working at the old Charleston Naval Shipyard together. Archie and you were the essence of the Low Country Bee Club. The guidance and knowledge that the two you provided was invaluable. We tried calling at the home number that we had for you but it went to Bee City and they, understandably would not provide your number. Please know that our thoughts and prayers are with you and the family and if you need anything or later feel like talking, please call.
Love you much, your ole pals, Sandra & Ben Morris

“ Sending you all virtual hugs! I remember the first time I visited Bee City, Mr Archie and Mrs Diane showed such hospitality and warmth. Treating me as family even though I was a stranger. His life and legacy will live on in his kids and grandchildren, and everyone who had the fortune to meet him. Sending our love, Amber & Geoff Miller

“ We were so sad to hear of Mr. Archies passing, we are praying for the whole family. Mr. Archie and Diane have always been like family to us. There are so many good memories and good times . We will miss his sense of humor and jokes---Mr. Archie knew how Charlie was terrified of snakes and would always have [something he wanted to show Charlie in a container or tote] and I always have to smile thinking about Mr. Archie giving Charlie a good scare. Mr. Archie and Diane gave our daughter her first real job , waitressing in the café and we still talk about the great food and people. Mr. Archies grandson, Garrett and our son were best of friends, and like our second son. There were many of days we just wanted to go hang out with Diane and Mr. Archie and enjoy their company. We will miss you Mr. Archie-and remember that sparkle in your eyes and your smile and the genuine person and your endearing heart
GOD BLESS THE BIERING FAMILY , We love ya'll Leslie Charlie Shelby Chaz Dennis
