“ Cathy, Jan and I are deeply saddened to learn of Archie's passing. Losing such a wonderful, longtime friend and neighbor is like losing a beloved family member. We will surely miss our occasional yard chats. We have grown to love and respect your family. Just seeing his always smiling face lifted our spirits every time. Of course, you have our thoughts and prayers. Please do not hesitate to call on us if there is more we can do. We love you, Rick and Jan

“ This is Larry Hiers I just learned about Archie passing. We were good friends and graduated from Allendale Fairfax High School. Archie was so full of energy and was so much fun to be with. We loved hunting together and his sister Teresa was the best sister always looking up to big brother. I wish I had the words to say that would give the family peace and understanding. Just know that I loved him like a brother and may God be with you. If you need someone to listen my cell phone is 308 249 4755. I live in Nebraska God bless

“ My thoughts are with your family. He was a guy with many moods, but a good friend to me and especially John. Many memories! We are in Sandusky so we won't be there in person, but certainly in our hearts. Our sincere condolences. Judy and Jack Riley
