“ I can not put into words what an Amazing person Mrs.Arlis was! She was the best listener Ever!! But what I loved most about Mrs Arlis is that she gave it to you Straight,no beating around the bush, she said what you needed to hear not what you wanted to hear. She had a Heart of The Purest Gold and would lend it and a hand to everyone! I miss our after bingo talks on your front porch,it could have been any porch but it was Your porch I felt so safe and loved sitting on that porch with you. Even if not one word was spoken I felt the love and I knew I wasn't going to be judged!!! And boy did she help me through some hard times in my life. I love you Mrs Arlis!!! I wish I had one last chance to Be on That Porch With You!!! Until we meet again Rest Easy!!!

Arlis was a sweet loving woman that would do anything for anyone. Her daughter was the first friend we met when we moved here from Ohio. Her family became our family in the South. She will always be remembered and missed. May she rest in peace with God and all the Angel's. Our prayers are going out to her and family and friends. All our love.
