

Astrid "Sonja" Marchant

April 21, 1942 - December 6, 2016

Sonja Marchant, 74, of Johns Island, SC, passed away on 12/06/2016, in her home.

A celebration of her life will be held at Old Wide Awake Plantation, 5149 Trexler Ave, Hollywood, SC, at 3:00 on Sunday, December 11.

Sonja was the daughter of Egon and Luise Boettger, from Peiting, Germany. She is survived in Germany by her brother, Reinhard Boettger (Melanie), niece Janina, nephew Dario, and her cousin, Elfie Schlachtbauer (Heinz) and their children Robert (Ilka), Andreas (Doro), Michael (Sonja) and Thomas (Barbara), and their daughter Sarah. Her step-son, Robert L. Marchant III (Dana) and grandchildren Elise, Celeste, and Jonathan reside on Johns Island, and her step-daughter, Miriam (Mimi) Marchant, and grandson, Robert, reside in Mt. Pleasant.

She is predeceased by her parents and also her husband, Robert L. (Bob) Marchant. Bob was well known for his work ethic and as a “no-nonsense, straight talking” car dealer, and upon his death Sonja continued that tradition. She was the majority owner of Marchant Chevrolet and Ravenel Ford in Ravenel, SC, for the past 19 years, and was highly respected as a Dealer and in her dealings with her staff and customers.

Sonja was well known for her love of animals, and dachshunds in particular. She became known for her dachshund rescue and at times brought up to 12 dachshunds back and forth with her to work. She will be truly missed by her family and by all of the staff, friends and pets that were blessed to know her.

In lieu of flowers, please make a donation in her name to your local pet rescue organization.

“ *Dear Marchant family, and friends. I am sorry for your loss. The love we share can seem so small in times of loss. But it never leaves us for those we love even if they fall asleep. I am so sorry for your loss. John5:28,29*

“ *Mrs Marchant was the "Mom" to all that worked for her. She kept us inline but also helped us when we needed it. She had a heart of gold and a huge love for animals. I will always remember her. Although, I'm sure that all your pets that have already crossed the Rainbow Bridge will be happy to be with you once again now.*
