“ *I am so sorry to learn of your loss. It was my absolute privilege to take care of Audra many years ago at MUSC. She has always held a very special place in my heart. I have thought of her often over the years and have missed seeing her. I know that she lived a very fulfilled life and gave so much to her family. I wish her family peace and comfort in the happiness of memories. I know she is at peace. All the best, Dr. Marcy Bolster*
