“ Dear Patrick, Bryan, and the rest of the Crenshaw family,

I was so saddened to hear of Carolyn's recent passing. She was such a kind, sweet, soul who always made all the grandchildren feel so special. I understand she was a simply amazing Mother, and many more things. She never forgot a birthday, and always made certain to attend important events in the family no matter how far she had to travel. She was determined to enjoy her life by being resilient and unbreakable, no matter what was thrown her way.

It has been a really difficult last few years for the Crenshaw family, with the passing of Connie, Ed, and now Carolyn. They were all such wonderful people who impacted our world and lives in so many ways, and will be deeply missed.

Our sincerest condolences to the family.

Love,

Adam, Katie, Lainey, Kristin (Harding), and Wanda Crenshaw

“ *Dear family, As I reflect on your mother, Carolyn, may you find solace in knowing that her kind expressions, gentle ways, soft spoken words and mysterious smile complimented her role as a nurse. For many, many years we worked together in the nursing home; I simply delight in having shared time, space, and seasons with her on this journey.*

With heartfelt sympathy,

“ Carolyn was such a special and sweet lady at Dorchester Presbyterian Church. She was always quiet and alone at services. I was new and didn't know her name, but she took her time to make a lava cake for the bake sale at our Colonial Bazaar. I was so touched and asked her name. I never forgot it and will always remember her description of the lava cake which smelled delicious and was dripping with chocolate. My sympathy to her family. I know she must have been an amazing grandma!
