“ *Barbara Dobson was such an interesting volunteer at the Summerville Museum. She knew history, was willing to help with so many different tasks, cared lovingly for her ailing husband and her friends, and really made anyone she encountered feel special. May her memory be a blessing. My condolences to the family.*

I just saw where Barbara hunt passed. We were great friends as teenagers and we had talked on phone after her husband passed. She was hoping to come to Central, SC to visit me. Her phone no when I called was no longer working. To my surprise I just learned she passed away in Feb. She spoke if her daughter often and I would love to talk to her. Is there anyway you could give her my phone no. Kathryn Long 864-506-0153. She was such a beautiful girl with long red hair.

“ *Barbara was a lovely, interesting, intelligent friend who will be missed. I met her at the Summerville Museum, which she decorated beautifully at Christmastime. I'll miss her.*

“ *When I joined The Summerville-Dorchester Museum, Barbara took me under her wing. She went out of her way to call me, encourage me, and to give advice. Barbara had such strength-caring for her husband in his final days and battling her own illness. Yet, she never once failed to continue thinking of others. I feel blessed to have been able to call her my friend.*

“ *Barbara was a kind and giving person. She was a willing and able servant to the board of directors at the Summerville Dorchester Museum. She also donated much time to the archives and to the displays in the museum. Barbara gave much of herself and to the people there. Her friendship will never be forgotten.*
