“ Barbara Wilfong came into my life when I was about 7 years old, in Woodbridge, VA. Even though 4 houses separated her house from mine she was a Mother to me all of my life. Her daughter, Leslie and I immediately became best friends and to this day we are inseparable. Somehow we all ended up in South Carolina together again. Mrs Wilfong was a great mother, wife, grandmother, and friend. Her relationship with her husband, Danny was something to be admired. Everywhere they went they were always together. She always gave to others and enjoyed the social aspect of life. I will miss her dearly.
