“ *I was lucky enough to know Pop for the past 14 years. I couldn't have asked for a better great grandfather for my son Cole. My greatest memory of Pops was he was at every baseball game at the end of the field with his video camera in hand. Whether it was cold or hot I could always count on him to be there. He was more than just a great grandpa. He was a loving father, a devoted husband and a friend. I will always remember the Turkey Trots he came too every year to show his support for Cole. May he rest in peace.*
