“ Aunt Bea will be sadly missed, she has been a wonderful Sister, Wife, Mother, Aunt and Grandmother to all who knew her. I am so grateful to have know her and always made to feel like Family around her. Aunt Bea has shared many stories with me over the years and when I was going through my health issues and she came to Granny’s (Sylvia) to visit she told me I was going to be fine, she was right but it was because of her positive attitude. I feel very blessed to have known her and I will always have those memories of such a wonderful person. You will be greatly missed Aunt Bea, but you’re now in a peaceful place where you deserve to be.
