“ *This is very sad news to receive! First Linda, just out of the blue, then Bennie! Life can be cruel at times. But when we think back on all the great times and fun we shared, we are so thankful that they were in our lives! The crazy, funny things Bennie would do a family outings. Throwing Mommy, Aunt Betty and Aunt Mae Mae in the water and then rolling them in the sand. Everyone laughing till their side hurt, including the victims! Bennie was loving, and fun. The world lost great man with his kindness and humor. God is laughing at Bennie's antics now he has rejoined Linda, Uncle Le Roy, Aunt Mae Mae, Barbara and Archie, Mommy and Daddy!*

“ So sorry to hear of Bennie's passing. My thoughts go back to the years at Pepperhill with our sons playing sports and hanging out. I saw him many times in the 39 years I worked at the mill. Once I wanted a basketball pole for our sons (Bruce, Brian and Kevin) to be able to utilize. We talked and he was able to get me a huge length of 316 stainless steel, 4" diameter. He fabricated it to have an offset 8' up and extended to 11' high. It still is next to our driveway here in Newington, Summerville 35 years later. Aside from our sons all the Grands and now the Great Grands will also use it. All I have to do is look out the window or walk outside and his memory will always be with us. Condolences to all the Sanders family in remembrance of such a great Individual.
