“ My husband and I had the pleasure of working with Ms. Betty at DD2, she was the funniest, loving, and orneryist lady I have ever met in my life. She was constantly pinching my husband's bottom, she was my aide for a bit and we had the best conversations while riding around with the children, we enjoyed working with her and she will be sorely missed even all the way here in Ohio. “ My prayers for Ms. Betty family. Working with her @DD2 fussing, laughing and almost crying with her it was all love that's one thing you knew of her she loved. Being a coworker we all became family something we cared about was the kids. From the early morning to the end of our day Ms. Betty would smile and say alright now I'll see y'all in the morning as she would go through things if you knew her you knew cause she would not hold back on her tears. That was something I felt to be sincere and loving about her. And to her family know she loved each one of you, she shared stories that made you laugh made you want to cry but I knew it was her love she had for you all. Not to be long winded but know she was loved away from you while being at the 🚌 lot. Ms. Betty take your place with God cause he needed you most, so rest in his arms 🙏🕊️🌸.

“ Ms.Betty was one of my first friends at the bus yard. She gave me a lot of great advice and she was always an ear to listen to grievances. She told me a funny story about dropping her bus load of kids off at the police station one time, of course that was back in the old days. Prayers for her family and I hope to see you again one day my friend. 😊 Teara Palmer #48
