“ Aunt Betty was my Mother's best friend, since they met, they literally spoke every day until my Mother's death. She and Uncle Gerald made me feel loved and safe in their presence. I regret not keeping in touch better. I love you all. May perpetual light shine upon her.

“ I met Mrs. Craven in the grocery store while she and Libby were out and about. She is the finest example of a little Southern lady who leads her family as the matriarch with love, grace, and kindness. Prayers for Libby and her whole family as you celebrate the life of your beautiful mama. May you feel the love and peace of our Lord and Savior at this time.
