“ There was never a time that I didn't see a smile on your face. You were loved by many and gave your all. You and Uncle Harold were the best example of what a marriage should be. You both inspired me in many ways. Enjoy heaven together !

“ So heartbroken to her you passed. I will never forget the good times we had at your house when we we're little. If we couldn't of stayed at your house we sure would of. The love you had for Uncle Harold, your children, grands, was overwhelming. You had a heart of gold. I am sure glad I got to give you a hug when you came to see mom.. You will be sadly missed by your family. Enjoy your time with your love and family in heaven. Give my dad and brother a hug for me.. R.I.P. Aunt Betty

“ *Grams there is no words to express how much you mean to me. I know you are having a blast up there with your new set of wings learning how to fly amongst the Angel's. You are my hero and I will learn to live like you did with your heart filled with love and joy. I miss you a thousand times more today than yesterday and more as the coming days.*
