“ *Betty and Gene were our friends through Westvaco. In 1981 the raft Jerome and Harold Kessler made for the raft race down the Ashley River, went to their house for a floating dock until Hurricane Hugo swept it away. Betty was such a graceful Southern lady and their love showed all of us that marriage is a blessing. It was a joy knowing them, remembering the company dinners and gatherings and working with Gene. May God bless you with His everlasting Love. Jerome and Rita Addison*

“ *Jeff, Griff, and family...*

From the very first moment I met Betty, she welcomed me with open arms and an open heart. She was a warm, lovely, gracious lady who was loved and appreciated by so many people. Ray loved her like a second Mom and is so grateful for that phone call they shared only a week before she passed. Some of our favorite lowcountry memories include visits with Gene and Betty in Meggett. And everyone knows how much Ray loved them both. He fondly calls them his "second Mom and Dad". The world was such a better place for having had them in it and we will be forever thankful for having known them. We know they are together now, holding hands and smiling down on us all, and pray that the many happy memories will comfort and keep you until the day you meet again.
