“ My sympathy to Linda, Debbie and the rest of the family in the loss of Betty Lou. Although I had never met Betty Lou, I feel like I knew her from all the stories that Linda had told me. Loving stories and memories that Linda keeps like pearls of wisdom. Betty Lou was loved deeply by Linda, Debbie and her family and will be missed by all. She lived a long life and earned a well deserved heavenly rest.

“ God truly blessed me with you for my mother! You always knew what to say or do when I needed a mother or a friend to help guide me through this life. You led by example, not just words. I will love you always and I miss you so much already! I am comforted in knowing that we will see each other again in Heaven. I promise to always give it to God and not to take it back. Just one of many pieces of wisdom you have given me and I will cherish. I love you so much mom!
