“ Brandy was always an important part of any of my visits to Palmetto Primary Care. She was not only warm and friendly, but she also knew just how to handle anything. I know how much her family meant to her, and I am sorry for your grief. I hope your memories and the knowledge that Brandy helped so many people give you comfort.

“ Brandy and all of your family, I share my deepest condolences to you. To Brandy's Husband, and Mother, stay strong and know every day moving forward are going to be some hard ones and ones that make you smile looking at your kids.

I am a patient of Dr Davis, and to the family, Brandy always came to work with a smile and ready to do what she did everyday... Make her patients forget about their ailments, as she did for me. I knew no matter how bad and awful I was feeling, Brandy would calm me down and her bright, spunky, spirit just kicked in naturally.

Brandy, please rest now and God will take care of everything in front of you. You will be missed so much by more people than you will ever know, people you touched in your young beautiful life. My wife and I will never forget you and your impact on our lives. I hope you have reached Heaven and all its Glories. God Bless you and your family.
