“ *You will be missed by many. I remember when you didn't come into jackpot for a few weeks and I kept asking Ms. Bobby when you were coming back in because I needed my therapist back. When you finally came back I told you yeah my therapist is back. You were always there for me when I needed a listening ear. Such a wonderful person to know. I have enjoyed you being my friend for many years. Rest in peace Ms. Brenda.*

“ *My friend always. You brightened my life and was always to the point with even when I wasn't working for you. You were the one person that gave me a job when I moved here almost 20 yrs ago. We have been friends since and of course bingo buddies. There is an emptiness in my heart from you no longer being here. But, I do know that God has you up in heaven along with my parents. You were a wonderful good person. I will always carry part of you in my heart and you will sadly be missed. I love you my friend.*

Over the years moving from one military base to another I have had many good friends but no one who touched my heart as you did the day we met 26 years ago. You have meant so much to me and my family. I will always hold you in my heart and know that one day we will meet again. I love you partner and will miss you dearly. Your loving friend forever.
