“ I met Carol over 30 years ago. She helped me through a very hard time in my life. Most of all, I remember laughing with her. Our lives went in different directions, and we lost touch. My thoughts are with you all.

“ Phil: So sorry to hear of your wife's passing. What a great picture of her. At our age, it gets all too "real" and we must take advantage of every moment with our loved ones. -- Allan (AI) Payne - your 1964 MHS classmate
