“ *I knew Carole from Newborns in Need. I love all the ladies that are part of this wonderful organization, but I especially looked so forward to seeing Carole at those meetings and Volunteer Saturdays! From the first time I met Carole I knew she was someone special, it was just a feeling you had being in her presence. I was so drawn to her and wanted to know more about her, just to find out after knowing her that she wanted to know even more about each person she met. She would ask questions and really listen as you answered and was so interested in everyone's lives. She was so kind and loving. She had the best laugh. She laughed with her whole face and made every interaction with her so enjoyable, and left you yearning for the next one. She will be missed so much. God brought home a very special beautiful Angel!*

“ Our condolences to the Venitelli family. Carole was a dedicated volunteer for many years with the Charleston Chapter of Newborns in Need, as well as an excellent seamstress. She helped to improve the lives of many needy babies in the Lowcountry with all the beautiful items that she made. It was a pleasure to have such a pleasant and talented lady in our group. She will be dearly missed. Please accept our deepest sympathy for your loss.

Love and Sympathy,
Charleston Chapter of Newborns in Need
