“ So sad to hear of our friend's passing. Carol became our friend and felt like family as she helped us with our tax preparation for many years. She was always so upbeat, happy and positive! We are praying for all the family during this time.

“ You will be so missed carroll. I worked with you at several places and considered you my friend. My best memory if you was that you were always smiling. It made me happy to see you smile because smiles are very infectious, but in a good way. I hope your are at peace and in a better place now. You will be always remembered and missed.....

To the Sandefer Family,
Please accept my condolences in the loss of your beloved Carroll. I worked with Carroll at the hospital and she was a genuine, lovely person. Even in the most hectic moments, Carroll was always ready to jump in to help in any way. Carroll was delighted when she found out my husband was from Vincennes, Ind. She would always tell me about her visits back home to Indiana when she came back to work. Carroll will be greatly missed. Anne
