“ David and girls! I am so saddened by this news of my dear friend, Catherine. We shared many years together in the teaching field. I was blessed to have her substitute for me while I was on maternity leave with my daughter, Courtney, age 35 and afterwards, join the Business Education profession. She was my mentor and my rock through difficult times. We relied on each other for anything that needed to be done. I will miss her terribly. May God Bless you and your family. God's guidance will bring you through this. Stay strong. In loving memory, April Green

“ Libby, Cindy, David and Family, We were very sad to learn about Catherine's death. She was a lovely and gracious Southern lady. We wish there were words we might use to help lessen your grief but know from experience that none exist. We hope that by knowing so many people are thinking about you and keeping all of you in our prayers will in some small way give you comfort. May God bless you and give you the strength you will need in the coming months. Ron and Carolyn Daniel and Family 301 Westminster Ave Summerville, SC

“ Please accept my deepest sorrow for your loss. I first met Catherine volunteering for Habitat for Humanity. She was a lovely person. The past few years we were part of the Tuesday morning coffee group. Catherine always had a smile for everyone and was a wonderful person. She will be sadly missed.

“ Cindy, Libby, and Mr. David, I am absolutely in shock! I am so sorry, and if I were in town, I would be there with you on Monday! I believe you know I lost my mother just over a year ago, and have been in and out of Summerville taking care of the house and other details off and on since then. I'm back in Nashville at the moment and don't think I'll be in Summerville again for awhile. Please know I'm praying for all of you. Maybe Mom greeted her in Heaven and they are now having fun reminiscing about their days of teaching together.
