October 11, 2020

Chad Wesley Freeman, 49, and Andrea Bennett Freeman, 48, both of Summerville, passed away on Sunday, October 11, 2020 along with Chad's mother, Meredith Schmid Freeman.

JAMES A. DYAL FUNERAL HOME REQUIRES FACIAL COVERINGS AND SOCIAL DISTANCING

Family and friends are invited to attend Mr. and Mrs. Freeman's visitation along with his mother, Meredith Freeman, on Wednesday, October 14, 2020 from 6 o'clock to 8 o'clock at James A. Dyal Funeral Home. A funeral service will be held for them on Thursday, October 15, 2020 at 11 o'clock at Faith Church, 337 Farmington Rd., Summerville, SC 29486. Burial will follow at Dorchester Memory Gardens, 11000 Dorchester Rd. Summerville, SC 29485. The service will be live streamed at youtube.com/summervillechurchofchrist.

Flowers will be accepted.

Chad was born on June 15, 1971 in Charlotte, NC, son of Steven Arnold Freeman (Cathy Honeycutt) and the late, Meredith Schmid Freeman. Andrea was born on September 2, 1972 in Atlanta, GA, daughter of Robert Lee and Henrietta Barber Bennett of Summerville. Chad and Andrea met in the band at Summerville High School. As high schoolers, they showed their love by

pranking each other. Both continued their jokes with age, Chad loved to talk about “he played for the national championship in the band.” Other than raising three incredible girls, Chads other greatest accomplishment was playing in the band at the 1990 Georgia Tech vs Virginia National Championship game.

Survivors in addition to Chad’s father, Steven and Andrea’s parents Robert and Henrietta are: four daughters: Hannah Grace Freeman, Kaitelynn Elaine Freeman, Meredith Mae Freeman and Ruth Anne Baggett all of Summerville; Chad’s sister, Missy Mae Feiser and her husband Rob Allen Feiser of Mt. Pleasant; Andrea’s brother, Robert Lee Bennett, Jr. and his wife Katherine Ann Bennett; and five nephews: Robert Michael Bennett, Ryan Lee Bennett both of Atlanta, Michael Hayes Tuttle, Chad Steven Tuttle, and Bobby Fred Feiser all of Mt. Pleasant.

A memorial message may be written to the family by visiting our website at www.jamesadyal.com.

“ To the Bennetts: My deepest condolences on your loss. Though brief, Bobby and Andrea were my neighborhood playmates on Lauderdale Dr. (Helmsdale Dr.) before y'all moved away in early 80's??? I have memories and pictures of garter snake wrangling with Bobby and Andrea tagging along with her big TALL brother. Memories that are cherished of a time past, before Fortnite. Playing OUTSIDE with the Bennett kids is a fond memory. May Peace be with you always. Clark Darden, Tucker, Ga.

Chad Freeman - Sweetest, loving father and husband!! He loved Andrea and the girls with all his heart and mind! Andrea and I called Chad "Squirrel" form an inside joke. I will never forget y'all!! God received 3 wonderful angels!

Mrs. Freeman - A lady at all times who loved her family! She was always there to support her granddaughters.

“ Although I did not know Mimi or Chad other than by name, I was fortunate to be a part of the OT team with Andrea during the years she worked in DD2. Andrea always brought joy to our work place. She touched many lives and helped many children and co-workers with her positive attitude and joyful presence. She was quick to provide a wonderful hug when she sensed that someone was in a low place. I pray that her family and friends find comfort in the fun and loving memories we have of her. Andrea always showed kindness and compassion to all. I will miss her.

I have so many memories of playing in their yard and once they even threw me a surprise birthday party when no one showed up to mine. I trusted them and loved them a lot, and I know that they were some of the best people. My condolences to the family.

“ Debbie and I both worked at Bosch with Chad since he cooped there in college . We never had pleasure of talking to Andrea but I had had many discussions with Chad and he always talked about his wife and girls at some point in the conversation I could tell they were his life and I always enjoyed talking to him. I retired in 2019. But still had the pleasure to work with Chad on a project . He was always the same self anytime we met . My heart goes out to his girls . They will carry on their parents legacy of helping others .
God Bless all of you

“ I have known Andrea and Chad since 1988. They were friends in the high school band, and then continued on as friends in college at MUSC and Georgia Tech. Quite simply they were the most fun couple one could meet. They cherished each other and their life together, while sharing themselves with so many. It has been an honor calling them my friend and I will miss them always. Deepest sympathies to their wonderful daughters and family.

“ I got to know and love Andrea when she worked with my students at F.D.E.S. She taught me so much professionally. She sharpened my observation skills and ability to analyze movements making task analysis better. She loved every one of my students and we all loved her back. She was so much fun. The kids loved working with her. She brought out their best efforts with her creative activities and loving encouragement. One day she stopped by my class after school to see if we needed anything. She sat with my assistant and me and helped us wrap little Christmas gifts my students had made. The next afternoon, at our little Christmas party, we snickered as she said, " This looks familiar." She had unwittingly wrapped her own gift!

My heart goes out to her beautiful and treasured daughters. The world is a better place for Andrea having been here.

“ To those left behind by this tragedy-

I worked with Chad for many years and in several different capacities at the Bosch Charleston plant. His character was always on display and he had the utmost respect from his colleagues, associates and stakeholders. Everyone knew Chad would do his utmost to do the right thing and his work ethic was evident for all to see. You could talk to him about work, politics and religion and not feel dis-respected. Although we frequently agreed with each other I believe this would be true whether you agreed with him or not. I will sincerely miss his smile, laugh and positive attitude (even during the stresses of work).

I cannot answer why your loved ones have been taken away and why this crucible of life is placed before you as the father and daughters left behind. I Only know that Chad lived such a life that many people (like me) who never knew his father or daughters will be interceding for you in our prayers and our thoughts.

God's grace be upon you during this mountain of grief.

My deepest condolences,
