

Charles William Pearson II

February 18, 1944 - June 4, 2022

Charles “Chuck” William Pearson II, 78, of Summerville, husband of the late Mary L. Pearson, passed away on Saturday, June 4, 2022.

Chuck was born on February 18, 1944 in Denver, CO son of the late Charles and Harriett Pearson. While serving in the United States Navy, Chuck graduated from the University of New Mexico with a Bachelor’s degree in electrical engineering and retired as a Lt. Commander after over 20 years of distinguished service to his country.

After retirement from the U.S. Navy, Chuck started his own homebuilding business and various other small businesses. He served as his late wife, Mary’s, campaign manager and most devoted supporter throughout her career as Dorchester County Treasurer. Chuck and Mary were both active in the community and especially with Dorchester County politics. Indeed, Chuck’s most cherished role in life was being Mary’s devoted husband of over fifty years. He was a loving father and grandfather and will be greatly missed by those who knew him.

Survivors include: two sons; Charles William Pearson, III (Susan Grinsteiner) and Jason Lee Pearson and his wife Christi (Reid); Grandchildren: Taylor Lee, Brooke Kathleen, and Evan Reid Pearson; and his brother, Richard (Jean) Pearson; and many nieces and nephews.

A memorial message may be written to the family by visiting our website at www.jamesadyal.com.

“ *I am so sorry to learn of Chuck Pearson passing on to his reward and join his loving Mary.*

Chuck was always present with Mary in their travels for Conservatives causes, be it for State Conventions or National Conventions. I was with them in Cleveland, Ohio for the Republican National Convention in 2016. Mary, Mike Rose and I were the three delegates from Dorchester County. And Chuck was there too as a guest during the week of convention proceedings.

My heartfelt prayer is with all the family during this upcoming adjustment of time without your father's physical presence. May his spirit linger with everyone forever.
