“ *So saddened that we lost a good man. A family friend, a mentor, teacher, advocate and a special friend to my son Joe. Mr Welty had his back!! We will treasure all the times he spent at our home. And the times that he had Joe to his home to play pool and eat "hot chicken bites". From the teasing, laughing and joking to the discipline side that said, ok, let's get this done Dr J. That was his nickname for Joe. There are too many moments to relive. But, we are so blessed to have them and so blessed to know Mr Welty and have him part of our lives. I'm so grateful that Joe got to see him one last time. Thank you for making that happen Ann. Our hearts and prayers are with you all!! The Giacinti Family*
