“ I hope I'm not intruding. I am an Air Force brat who lived on Charleston Air Force Base from 1962 thru 1966. My dad was assigned orders in the summer of 1965 to Sheppard AFB in Wichita Falls, TX. We were reassigned in December of 1965 back to CAFB. It was after that when I re enrolled at Garrett High School that I met Charlotte and her sister on the base.

I was reminiscing the other night about brats in my life that I recalled very favorably. Charlotte came to mind because she was so fun loving, honest and accepting as anyone I had ever met. I was saddened to learn of her passing. We were not close friends (I think her father was an officer and mine was enlisted), but we had a connection only young people get and never forget. I think she even talked me into doing a Ouija board at another brat's house in officer housing. Charlotte was a breath of fresh air and wonderful lady. I wish I had reconnected with her in the past. Looking at her photo now, I remember that smile.

“ Charlotte, my cherished, heartfelt friend who I cared for so deeply even though we lost touch in our later years! I loved her dearly always. Every time we ever ran into each other it felt like a wonderful happy surprise. We always planned to get together and I am so sad. She was the kindest, upbuilding, loveable person I have every known. I will miss her so much but know how much she loved God so He gives me comfort. I can only hope we will meet again someday. Sandy and Denny Mudger
