February 16, 1971 - September 11, 2022

Cheryl Lynn Sears, 51 of Summerville, wife of Nathan Sears passed away on Sunday, September 11, 2022.

Family and friends are invited to a memorial service on Wednesday, September 14, 2022 at 7 o'clock at Charleston Church of Christ, 9802 Highway 78, Ladson, Summerville.

Cheryl was born on February 16, 1971 in Nyack, NY, daughter of Charles and Alicia Coscia. She was one of ten siblings. Her family is deeply saddened by the sudden loss of their wife, mother, daughter, sister, aunt and friend but know Heaven has gained the most beautiful angel ever seen. She touched so many people in such a deep way. She listened, she heard, she always made you feel like the most important person on earth when spending time with her. She always made time for those in need and was the most true and loyal friend. Physically her heart was limited, but when measured by compassion and love it had no limits. It is impossible to imagine a world without her. The love she poured out on people was the closest thing her family felt to God's love here on earth. We are saying goodbye to her for now, but can't wait to see her healed and happy in Heaven very soon.

She is survived by her husband, Nathan of 18 years; two sons: Andrew Sterling and Isaiah Sears; Parents: Alicia Coscia of MI, father, Charles (Anne)

“ *An under-rated skill that Cheryl always had was her ability to listen deeply and not judge. I will never forget when I was 12 and she took me to Applebee's and allowed me to get everything off my chest that was bothering me. Cheryl practiced deeply listening techniques before we even had a name for it. We will miss you, Cheryl.* ”

“ *My sister was so caring, so kind. The world won't be the same without her but I know she is in heaven and taking care of her boys and the Coscia Clan. We love you, Cheryl.* ”

“ *Cheryl's life was filled with love and joy, but there was one area that brought her great sadness. Her inability to physically care for our brother Tony (the way her siblings could) was the driving force behind her unique way of showing love. Her physical limitations were no match for her spiritual strength. Her unquestionable faith is one of the many gifts she gave us all. The only thing that comforts us is the fact that we know she is in Heaven. Fly high my sweet sister who turned her sadness into a gift of love.* ”
