“ My boy 💜 how I will miss you so. You’ve been like my own son your whole life. I am so thankful that we got to spend that day together as a family at the pool. We all enjoyed each other so much. I wish I would’ve got pictures but was living in the moment. You and I had a moment in the backyard before we went to the pool and we told each other how much we meant to each other and how much you loved my kids. They love you too son. Roen and Santana will grow up hearing all about their Uncle Michael. You will live on through all of us. I promise you that. I don’t know what else to say 💔 I love you forever.

“ Just knowing that you are no longer here just gives me chills. Going from just speaking to you to not being able to speak to you any more is unbearable. I enjoyed the years that I've known you since I lived next door to you. It was never a dull moment with you. Always smiling , laughing and having fun. I will forever have you in my heart. Rest in Paradise Mike until we meet again. From: Raquel his next door neighbor.

“ To the sweet little boy who stole my heart all those years ago. I will miss you everyday for the rest of my life. I'll never forget the day you coined me your half-mom and all the memories you made with your sisters and brother. Losing you is the hardest thing we have ever had to do. I hope you have found peace and know you were loved. To the women who loved him first. Heather thank you for allowing us to know him, love him and call Michael our own. You gave us so many years and memories with Michael that we may not have had. You will always be in our hearts and part of our family.
