“ *When we lose a loved one here on earth, we gain an angel in heaven that watches over us. Mary Jane, may you take comfort in knowing that you have an angel to watch over you now. I extend my most sincere condolences to you.*

“ *Rest in peace Cliff. You were a good man and a good friend and you will be missed by all of us who cherished you as a friend. Being the Godly man that you were we are assured where you will spend eternity.*

“ *I can't begin to express my sorrow Mary Jane, of the passing of your husband and one of the finest men I have ever known. The respect and love that I had for Cliff. He always had a good message for the people he cared for and loved. Our church has lost a leader that will be hard to replace and God has gained a strong angel to carry out his will. His memory will never be lost in time for in his memory you find a sense of peace and respect. He is free now of all earthly pain and lives within the arms of our Lord and Savior, Jesus Christ. See you later my friend and if you will, give my daughter Melissa a big hug and my love.*
