“ You have forever changed me for the better, CL. You had a heart of gold. You were the kindest soul I have ever known. The love for your family and best friends, Johnboy and Chris, was astounding. You never hesitated to help anyone that needed it, even after the long hard days you worked. It was a blessing to get the short time I did with you, and those memories will be forever carried with me. My heart aches for the ones that held you so close, for so long, and I promise to keep them in every prayer for the rest of my life. I miss you, so so very much. I look forward to the best hugs I ever received, once it comes my time to enter into heaven. Rest peacefully, CL. You will never be forgotten, or missed here on earth.

“ CL - I will always remember and miss your smiling face on Sunday morning and the fact that I always wanted to call you "LC" because of Mr. Lonnie, your Granddaddy. You have been a blessing in my life. I pray that God will comfort your family and give them peace through this most difficult time.

Many prayers and much love to all of you.
