“ I use to make lasagna and banana bread and have Aj take some for Clyde each time. When he would return the containers he would go them with candy for the girls!

“ I had the absolute privilege of knowing and working with Clyde the last 14yrs. I sponged all the knowledge i could from him with all the ins/out of fencing business and a lot more. He was always happy showing me the way. I was lucky to know him. Clyde always had my back anytime I needed anything. His heart was so big! Under that rough, tough persona, was a big ole teddy bear 🧸. I'm going to miss razzing him about his Clemson Tigers, and all the football talk on Saturdays and Sundays. My family and I loved Clyde very much! Still doesn't seem real, he's already missed dearly! My thoughts and prayers go out to Clyde's family and loved ones 🙏❤️
