“ *Nancy, all the mornings we spent sitting on my porch in our bathrobes drinking coffee putting our babies on the school bus were the good days. I loved Cody then and I love him now. He is at peace now and nothing can ever hurt him again. My prayers are with you and your family. I love you.*

“ This young man came to work for my husband and I in 2013. Not only was he a fantastic employee but a wonderful person. He had the brightest smile and disposition. He loved us and we loved him. He even took my son fishing. He called me momma Tracy and was the most respectful fun and loving employee we had. He quickly became part of our family and I wish so badly I knew he needed help. I am devastated by his passing. My prayers go out to his family and angie. I will miss u cody I hope God has given you the peace u always sought. Until we meet again my friend. I love u
