

Cody Austin Moore

May 30, 1990 - May 21, 2026

“Cody Austin Moore, 35, passed away on May 21, 2026, in North Charleston, South Carolina, as the result of a car accident.

Born on May 30, 1990, in Charlotte, North Carolina, Cody was known for his love of life, his adventurous spirit, and the joy he brought to those around him. He worked for Atlantic Aviation and took pride in his work and the relationships he built throughout his career.

Cody enjoyed sports, traveling, relaxing at the beach, and especially sharing good food with family and friends. Whether he was cooking at home, searching for new restaurants, or attending local festivals, he found happiness in bringing people together and making memories that will be cherished forever.

Above all, Cody loved his family deeply. He is survived by his wife, Hallie Moore; his daughter, Olivia Moore; and his mother, Becky Moore. His love, laughter, and presence will be profoundly missed by all who knew him.

No services are planned at this time.”

“ *I work at a flight school, who frequently uses Atlantic. Every time I saw Cody's face, he had a smile. He was genuine, kind and funny. I looked forward to walking down to Atlantic every day to see if he was on rotation. He will be very deeply missed. Sending all of my love thoughts and prayers to His wife, and daughter.*

“ *My true condolences go out to Cody's loving family. He was a wonderful person and pleasure to work with. Some of my fondest memories with Cody included talking about animals, aviation, and traveling (even trying to help him with some Disney tips!!) His presence will be deeply missed within Atlantic CHS.*
