“ *Connie was one of the PARK kids which was growing up in Ordnanace Park, St. Albans WV. We had great times growing up. I remember one time in high school when we went to cut down a Christmas tree. Carol drove us to the woods and we all 3 used the saw to cut it down. We were exhausted but still had to tie it to the top of the car. After struggling to get it up there we got in the car to take it to carols house. Once we started driving we realized it was on wrong because it stated lifting up and was about to come off. We put the tree on top with the small top at the front of the car. Connie and I had to get in the back seat, roll down the widows so we could get our heads and arms out the widows to hold that ###%\* tree on the car. We just about froze in the hour 1/2 back to carols house. Of course it was all funny to us and we were so exhausted from the laughing we couldn't get the tree off the top of the car. Carols dad had to come out and take care of our Surprise Christmas tree.*

*Connie was a very good artist and liked to read a lot. I remember she had a parakeet which would chase me all over her house because I was afraid of it. We used to go bowling a lot.*

*I hope she's looking down and remembering all the fun times.

*Connie was one of the Park Kids. We grew up in the best of times. We played game, stayed out till dark because we were all close to our homes. My family bought Connie's house when they left the Park. We were friends since we were 4. I tried to call her on her birthday, so didn't make this year, I am so sorry. Please send my condolences to Ruth. ❤️🙏❤️*

*I am so saddened to hear of Connie's passing. We worked at the March of Dimes together, and once she moved to Summerville, we stayed in touch all these years. We always exchanged birthday and Christmas cards. I kept her updated on all of our mutual friends in West Virginia. Connie and I spoke last week and I could tell she was in a weakened state. I was hoping to be able to visit her soon. Thoughts and prayers for the family. May you Rest In Peace my dear friend.*
