“ Jan and I, along with the L-J, Inc. family, were sorry to hear about Mrs. Wilkie. I think the first time I met Mrs. Wilkie was in the mid 1950's when they were living near the old locker plant on Sumter Highway outside of Columbia. It was either before or after the Warner Robbins, GA project. It was my understanding Mr. and Mrs. Wilkie came from the Plum Branch area of SC and Mr. Wilkie came to work for our company when we built the Clark's Hill Reservoir. Mrs. Wilkie deserves an extra halo in heaven for putting up with the Jordan's and L-J, Inc. family and we always thought of the Wilkie's as part of our family. I have great memories of them both and she will be missed by many.

“ Aunt Cornelia was the epitome of the true southern lady with an added sense of humor that showed in that twinkle in her eye. I have so many fond memories of times together at Thanksgiving and family reunions as well as bittersweet memories of times together saying goodbye to a family member. She was a gracious, talented, and giving person who will be greatly missed. Thoughts and prayers for all those she leaves behind. RIP Aunt “Corney” Love, Mary Kay, Mack & family
