“ *It's been one week today and I still just can't believe you're gone. I have so many great memories, our summers in the 18 wheeler, or trip to sea world and Bush gardens, the dune buggies, the racing and many many more. I am most thankful for the closeness that we've had for so long now. I could talk to you about anything, you were not only my dad you were my friend. It comforts me to know you are in heaven with all those that passed before you and you're with the love of your life, my mom. I will miss you everyday. I love you daddy. Till we meet again, R.I.P.*
