“ *I'm saddened to hear that Danny has left this world. I met him as a Junior in High School and we spent 4 years enjoying that special time of life when everything seems so important. School dances and prom, rock concerts and first cars... Though we lost touch for many decades I am grateful we were able to touch base once more as old friends on FB. My good wishes go out to his family. I hope you will always treasure the good memories. He will be missed.*
